75th ANNIVERSARY YEAR

Aug.-Sept. 1980

LAS PALMAS MASONIC TEMPLE
2992 E. Clinton Ave., Fresno, Calif. 93703
Ph. 268-2303

From the East

Brethren:

By now, most of us have had our summer vacations and are eager and willing to come back to Las Palmas. We will start off the fall term with an exciting calendar.

On Thursday, September 4, 1980 we will host a reception honoring Worshipful Sam Pavlovich for being our inspector for 10 years and for currently being Assistant Grand Treasurer. More about this important event is to be found in the Junior Warden's message.

On Saturday, September 27, 1980 at 8 p.m. we will have a dinner party and program to celebrate the 75th year of Las Palmas Lodge. The dinner will be Shish Kabob and the program will be a historical review of Las Palmas and some of its members. The cost will be \$7 and reservations are a must. Call the Lodge Secretary. Most Worshipful Vernon L. Gordon, Grand Master, along with many of his Grand Lodge Officers, will be present.

Fraternally,
RICHARD W. FREY, Master

From the South

A reception honoring our Assistant Grand Treasurer, Sam M. Pavlovich, who has just completed ten years as Inspector of the 416th Masonic District, a past master of Las Palmas Lodge, will be held at Crossland's Barn, 698 South DeWolf, on Thursday, September 4. There will be a barbecue New York steak with all the trimmings for just \$9.00 a person. A social hour will begin at 6:30 p.m. and dinner will be served at or about 7:30 p.m. Tickets are available from me, phone 431-2709, or from the lodge office, phone 268-2303.

Fraternally,

JIM KLEINKNIGHT
Junior Warden

From the Secretary

Lodge members who are out of work because of cut-backs in their work force should notify the lodge office if they are unable to pay their dues because of the crisis. They should not allow themselves to be suspended for non-payment of dues.

This same situation happened back in the early 1930's and the time lost during suspension must be subtracted from time as a member in good standing when Grand Lodge calculates the date when fifty-year pins will be presented. There is no need for this to happen if the lodge is aware of the hardship.

Twelve months is allowed for payment of dues in these cases, and if the out-of-work situation lasts more than a year the Grand Secretary feels this is just cause for the lodge to remit a brother's dues for that year. Please help us keep you in good standing if you have a financial hardship.

We would like to urge all members of Las Palmas Lodge to check their friends, relatives and neighbors and other acquaintances and see if they are members of a lodge in the Fresno area. Some of them have lost interest in masonry because they live too far away from their home lodge.

It may be they have never thought of affiliating with a lodge in Fresno. If they plan to remain in this part of California, they should seriously consider a move to join with us. Occasionally we find a mason who believes he should remain with his original lodge for sentimental reasons. This is not very good logic,

because in later years he may need assistance and his home lodge is too far away to help him. Local lodges try to help, but the same quality of aid may not be given because the feeling toward him is not the same as with one of our own members.

The affiliation fee is only \$5.00. If the person is a member outside California there is also a \$25.00 contribution to the Masonic Homes. Most states allow dual membership, but five do not. A member in Indiana, Mississippi, Missouri, Pennsylvania or West Virginia will need to resign from their lodge in order to become a member in California; all others may be a member in both states.

Any questions concerning multiple membership should be referred to the secretary of this lodge. A person should not get a demit from his home lodge until after election in a local lodge. By doing so, continuous membership is not interrupted. All that should be done now is to fill out an application for affiliation and we will do the necessary transferring after election.

PROCLAMATION CONSTITUTION OBSERVANCE MONTH SEPTEMBER, 1980

To: All Masonic Lodges in California and Hawaii

"God grants liberty only to those who love it and are always ready to guard and defend it."

—Daniel Webster

This great Nation in which we live was born in the very eye of the hurricane of liberty. Our founding fathers, many of whom were Masons, were men who believed that men should be free.

My Brethren, we must be willing, in our day, to be the champions of liberty for all men if we are to give true worth and meaning to all that has been done in the past, to make the present possible. We must rededicate ourselves to the principles of justice and freedom for all mankind, if we are to bring to the changing times the changeless truths of the ages. Those great truths that will build and enoble the life of our nation.

We as Freemasons, must preserve and protect the existence of this, the greatest document of all times. We must honor it as the assurance of human rights for all the citizens of the United States of America.

I THEREFORE PROCLAIM, in the spirit of the preservation of human liberty and human rights, that the month of September, 1980, be designated as CONSTITUTION OBSERVANCE MONTH, and that this proclamation be read at the August and September Stated Meetings. I further urge that each Lodge hold or join in appropriate programs of a patriotic nature, and that the flag of our country be formally presented at the September Stated Meeting.

Fraternally,
VERNON L. GORDON
Grand Master

Dated: July 15, 1980

Builders of the Temple

Another Brother is worthy of being among the "Builders of the Temple." Bro. Shiro Menabe's ardent interest in the Lodge and Temple is indicated by his searching for and repairing the "short" in the lighting for the parking lot gate, and is presently arranging for emergency lighting in the Lodge Room and Banquet Room, in the event of power failure. He says the costs for both tasks are being donated to Las Palmas by Bro. and Mrs. Menabe. Thank you Shiro, glad you are among us.
