## From the East:

Brethren: This will be my last trestleboard message as your Master. The past year has not only been rewarding to me personally, but it has been an eventful year for Las Palmas. I can only hope that most of you were able to reap the benefits that your Lodge offered you this last year.

As your master, there are only so many things that I was personally able to do. The majority of the work was done by others. For this reason I am taking this opportunity to thank all of you that worked for the betterment of our Lodge. I do, however, desire to give special mention to the following: All the officers of Las Palmas Lodge and especially Gary Starr. As Master, I had to have a right hand man to help me out with funerals and with the business of running your Lodge. Gary was always there when I called him. To you Gary, I wish you a fantastic year as Master. Special mention is also needed for Bob Paden. As secretary Bob was excellent. There are a lot of chores that must be done for the efficient operation of our Lodge and Bob did all that I requested of him.

Your temple was effectively operated as a Masonic Temple and a business. This was possible because of Temple Board President Jake Cannon and the other members of the board. My thanks also go to Bro. John Kinsey who will be retiring as treasurer.

During my year as Master there were sixteen dinners served. This was made possible by Mary Perch and the "Dates". My sincerest thanks go to all of you. One thing that makes Las Palmas so great in its attendance and spirit is the fantastic food which we serve every month.

This was our seventy-fifth anniversary year and I believe that we had the most proper of celebrations. This was made possible by a lot of people, but special thanks go to Worshipful Wayne Hearne who was chairman of the seventy-fifth anniversary committee. Wayne, your program was not only a tribute to those before me, but it will be an important part of Las Palmas Lodge when it celebrates its one hundredth anniversary in 2005.

This year the trestleboard was edited by Bro. Floyd Otter. I asked Floyd to take on this task as I wanted a trestleboard which would keep all of the Las Palmas family informed of their Lodge activities. Thank you very much Bro. Floyd for a job well done.

My wife Therese has been a Masonic widow for the past eight years. My young children have also learned that "Lodge" means daddy won't be home tonight. To Therese I say thanks for letting me be Master and for the help that you gave me. To Erica and Wesley, daddy will now be home a lot more on Thursday night.

There are many others who deserve special mention, but because of a lack of space it is just impossible. Please remember that I know who you are and that others do too and all of us thank you.

Fraternally,  
Richard W. Frey  
Worshipful Master

## From the Secretary

Due to action taken at the last Grand Lodge Communication, the donation by applicants for degrees to the George Washington Memorial has been increased to \$5.00. This means that the amount of \$119.00 must accompany all petitions for degrees submitted to the lodge after October 16, 1980.

This amount of money is broken down in the following manner: Fees for degrees to the lodge is \$80.00, donation to the Masonic Homes is \$25.00, contribution to the California Memorial Temple \$9.00 and to the George Washington Memorial at Arlington, Va. \$5.00, making a total of \$119.00.

All fees and contributions must accompany applications for degrees or the secretary cannot present it to the lodge. There is a severe penalty for violation of this section of the Masonic Code.

Anyone having application blanks should make this change on the front of the form before giving it to a prospective candidate so there will be no embarrassment later if we should find it necessary to ask for more money.

Also approved by the Grand Lodge was the design for a lapel pin to be worn by Masonic Widows. It will not have a masonic emblem, but a wreath of acacia surrounding the main design. These pins will be made available by the Grand Lodge supply department at a price

of about \$6.50, which will be sufficient to cover the cost of having them made and distributed. When they become available we will let you know and advise you of the exact price.

## Members Receive 25-Year Awards

At our last stated meeting on November 20, Brother Wayne W. Hearn, P.M. (1956) was master of ceremonies when eleven of our members received pins denoting twenty-five years of masonry. He substituted for Past Master Thomas E. Dispennette (1955), who passed away in March, 1959.

Receiving the awards were: M. Edward Allred, P.M., Myron W. Carrothers, Wally Garabedian, Merle R. Ginsburg, John H. Manoogian, Clarence M. Paris, George W. Pope, P.M., Glenn S. Richart, Edwin C. Strickler, Jack L. Tufts, James B. Williams.

Brother Hearn gave a history of Brother Dispennette's masonic activities and also a short notation of activities of some of the recipients. Of the 26 members raised in 1955, 19 are still on the membership rolls.

\* \* \*

Wayne Hearn, P.M., lodge historian, has requested that members having suitable pictures depicting Las Palmas activities or persons active in lodge work to loan them to him for reproduction or he will accept them as gifts to the lodge. The purpose of this request is to build up a large supply of pictures and information to be used in our 100th celebration of the founding of our lodge. Also, we would like to complete a history book which is now in the lodge safe so it can be bound into a book at some future date, possibly in the year 2005.
