## Greetings from the East

Spring is officially upon us! What a joyous and beautiful time of year this is. We had a busy and productive March last month and look forward to all that is happening this month. **April** originally comes from the word Aprilis, originating from the word *aperire* which means "to open". Appropriate for this time of year.

We had a wonderful time at our Master's Night Out, which was held at **Viktorija's Place** on Herndon Ave. Wonderful food with great friends to boot. We look forward to doing this again soon as this

time the ladies will be choosing the venue.

Speaking of ladies, they looked "*divine*" as always at our last stated meeting. A special thank you to our dinner crew and their helpful hands for an amazing meal. It is wonderful to be part of a group that does so much for so many.

Brother Paul Vind from Fort Collins Lodge No. 128, North Dakota joined us for dinner and the Stated Meeting. Erica Weaver from Fresno County Federal Credit Union gave a presentation after dinner.

We had the pleasure of attending **Job's Daughters** Initiation as three new girls are now a part of the family. **DeMolay** also had their 100<sup>th</sup> Installation of Officers last month and a good time was had by all. Congratulations to all who made the **Intacct** instructional in March such a success.

Every April, the Masons of California and communities throughout the state celebrate Public Schools Month. Masons take pride in our public school system and choose to donate their time and resources to this most important subject; our children's future. The future of our children and their education is paramount. We look forward to celebrating this April and letting all of our local teachers and facilitators know how much their efforts mean to us. Give them a hearty "*Thank You for all you do*" when you see them. **Las Palmas-Ponderosa Lodge** recently agreed to give away **160 backpacks** to students with perfect attendance as well.

We look forward to seeing you at our next stated meeting dinner honoring teachers and presenting Scholarship Awards. Have an amazing April!

Richard, Worshipful Master

## Greetings from the West

This month, I have had an interesting experience that has made me think about one of the principles that we hold dear. Relief is one of the great things that we charged with making sure that brother masons as well as non masons find relief of problems is a hard charge, but this week I have had the opportunity to look into some of the work that our Grand Lodge M.O.S. has set up for our brothers. I have been working diligently in in order to help a brother that is currently in my facility to get the support that he needs in order move back to his lodge. It has been a very interesting process working with Grand Lodge and the Masonic Homes in that order between finding and verifying the brother is in our system as well as looking in to what services he will need when he leaves. Under our system I know that now, whatever level of help he needs I know he will find it and receive it. Grand Lodge has helped to set up a great support network for us no matter where we go in the world and I encourage anyone that may need help to seek it our and see what is available to them.

Nathan, Senior Warden

Mike Hamzy received his Fellow Craft Degree, March 13, 2014 after receiving his Entered Degree September 30, 1999, we will do his Third Degree April 3, 2014.

## Greetings from the South

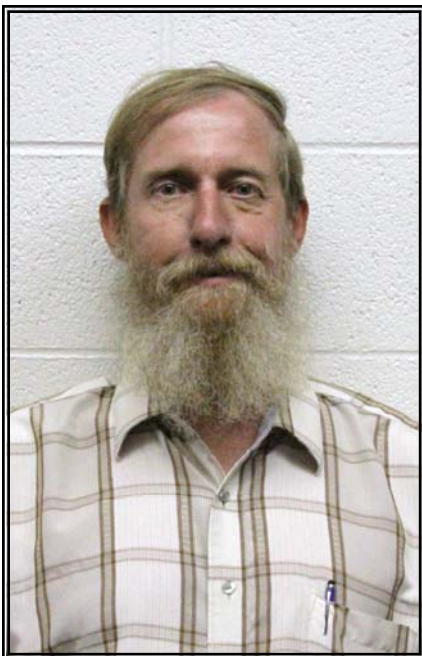

With pleasure I have the opportunity again to communicate to the brethren. If you didn't attend the last stated meeting of our lodge No. 366 you missed out on a wonderful salmon dinner with quinoa, veggies and a great dessert. All prepared by our new chef. We are in hope of seeing you at the next stated meeting. If you need assistance to attend, please give us a call at the office, I am sure assistance can and will be afforded you. I am looking forward to the degrees we have coming up on Thursday. Our officers are ready and also, looking forward to your support. Remember a hand shake and smile can last a life time. I am sure each one of my brothers can remember back to their degree work. For me it was a true blessing, as I was introduced to the craft.

**Happy  
Easter**

Our bicycle award program is in full motion for this year. At the last offices meeting and again in the stated meeting, I was privileged to hear a report from Brother Richard Ehorn on the impact the program is having on our young students here in Fresno. We are making a difference in these young peoples lives, some of which I am sure when they grow up will make a difference in others as well.

Queen, Lenore Stork

The year of celebrating the 100<sup>th</sup> Anniversary of Daughters of the Nile is quickly coming to an end. It has been quite a journey! Not one I will soon forget.

Thank you so much to the Past Queens, Officers, and Ladies of the Household of Sharon Temple. Without your support, this memorable year would not have been possible. We have shared many successful meetings and events.

We spent a wonderful day with our Supreme Queen, Margaret Ann Risk, in February. Having "Nila," the motorcoach, parked right outside the door, was quite a sight. We hope that people seeing this "moving billboard" will raise awareness of Daughters of the Nile and Shriners Hospitals for Children.

In case some of you missed it, we were on the "Morning Show" with Kopi Sotoropolis. SQ Margaret Ann got a big kick out of this. She was also in and out of the kitchen while dinner was being prepared. Did someone say she "kissed the cook!?!"

Congratulations to Queen-elect, Lenore Stork, and her corps of officers. We will have a few new faces on the floor, and I think this is exciting. It's good to have more participation. All you new members, be sure to come join us at Temple.

My parting words are to remind everyone that we are all members of a very large Masonic family. No matter which organization we may belong to, that organization deserves our attendance and participation if it is to flourish. Good luck to them all!

Thanks again for a very special year and all your support!

Sparkles of Nile Love,

Jeri Rouch, Queen

Membership Party - February 22, 2014.

Heart of the Valley participated in the Membership Weekend by hosting a Progressive Dinner Party and Scavenger Hunt! Everyone met at Mrs. Crable's home for delicious appetizers, then broke into groups and headed to the Sierra Mall for a fun scavenger hunt! We competed in activities such as: Take a picture with a stranger, find something leopard, dance outside, etc.! Then we drove to Mrs. Regier's home where Mr. Regier barbequed hamburgers for the group! Last but not least, we drove to Mrs. Major's home for some yummy ice cream sundaes. We also watched the Rainbow Video and slideshow of pictures from our Scavenger Hunt. The party was very fun, and we are hoping to receive petitions soon! In Rainbow love, Rhiannon, Hope from Heart of the Valley!

*O.E.S. Masonic Youth Dinner – March 5, 2014*

Legacy Chapter No 555, Order of Eastern Star, held its third annual Masonic Youth Night Dinner this evening. Members of area Job's Daughters, DeMolay and Rainbow Girls had a wonderful time with their sponsoring fraternity. A delicious Italian Dinner, with all the trimmings, was served. After dessert, the youth participated in a quarter auctions for prizes donated by chapter members. In addition, grab bags were available for \$1. The room was full and all proceeds are divided evenly among the four youth groups.

A challenge was issued for all youth groups to support the Eastern Star Senior Living Center with a collection of comfort items. As you can see, there were three boxes filled to the brim!

## *Worshipful Richard Frey's from the Archives*

Up until 1936, if a Lodge was to perform a Masonic Funeral for a brother, the first thing the officers had to do was assemble in the Lodge room and open Lodge for the purpose of conducting the funeral. Lodge would then be called to recess and the funeral ritual was conducted at the location of the funeral. After the funeral, the Lodge officers had to reassemble in the Lodge room and then close Lodge. Starting in 1936 Grand Lodge made this procedure optional. If you haven't visited our website recently, do so and click on the tab on the left side of the home page entitled *MASONIC FUNERALS*. Here you will find links to the text of the old funeral rituals used by Lodges in California. The earliest dates back to the late 1800's, next is the 1929 revision and then the 1946 revision. Currently we use the 1955 version. The most interesting ritual is the oldest one where the whole Lodge got involved and had a procession from the site of the funeral to the final resting place. Pay special note to what the Master did with the fallen brother's Lambskin Apron. Our Lodge website is [www.lpp366.org](http://www.lpp366.org)

May 1936 bill: Walter Byde Co. wax for dance \$.88 Do any of you remember the Walter Byde Hardware Company? It was a local company with a main location on Fulton Street in downtown Fresno and a second location in the Tower district where the Chicken Pie Shop is now located.

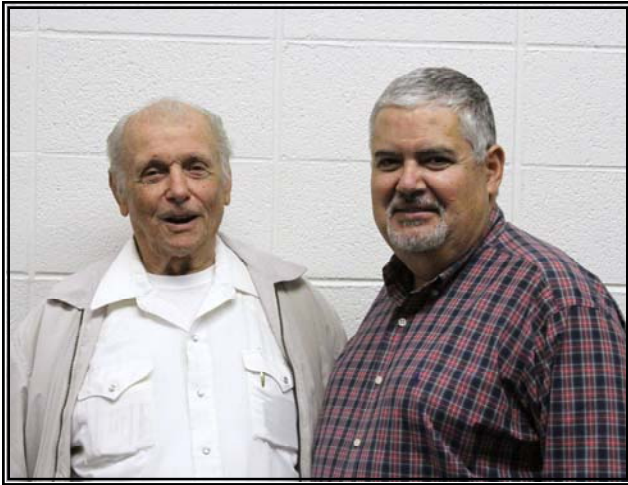

January, 1937 "A communication from Grand Lodge relative to the Social Securities Act was read." At the March, 1937 stated meeting there appears for the first time a bill to the U.S. Treasury for Social Security tax on employees. Total \$2.78.

After the close of the January, 1937 stated meeting, "Dr. Milholland, a member of this Lodge gave us an interesting discourse on X-Ray and radium." In the bills that were paid in February, there is a bill from Valley Van Co. "Moving X Ray machine \$4.00." That would be about \$65.00 today.

On April 1 of 1937 a total of 3 candidates were initiated. "The lecture was given by Bro D.A. Fisher, a Past Master of Fresno Lodge No. 247 and illustrated by stereopticon slides shown by Bro Fred Roullard, also a Past Master of Fresno Lodge No. 247." While I never saw these stereopticon slides, I do remember seeing an easel mounted chart that had been stored in the archives of our Lodge. When I asked then tiler, Jimmy Tucker what it was used for, he said it used be part of the First Degree Lecture. In October of 1977 our Grand Lodge approved the use of a series of 35mm color slides to enhance the lecture of the First Degree. In 1978 I was Jr. Warden and I used these slides several times when I gave the First Degree Lecture. Several years later our Grand Lodge shortened this lecture and the part that was enhanced by the slides was made optional.

Our Lodge Trustee's have been good stewards of our Lodge Investments, our Scholarship Fund has grown to enable us to offer \$6000.00 in Scholarships this year. Scholarship applications are available from the Lodge Secretary, call (559) 268-2303 or e-mail; [lppmasoniclodge@comcast.net](mailto:lppmasoniclodge@comcast.net) Scholarships will be awarded at the April Stated Meeting Dinner, which we will also be honoring teachers from Power-Ginsburg and Woodrow Wilson Elementary School's as part of Public School's Month observance.

Fellow Craft Mike Hamzy
