Greetings from the East

Greetings to all for the month of July and I wish everyone, their friends and families a fun and safe celebration for the 4th as well as hoping all our dads and their kids out there had a rewarding and memorable Fathers Day this June.

While our summer months traditionally are a bit more relaxed with less activities and time spent with family members or away on fun filled summer vacations, our lodge these past couple years has been very fortunate to have so many eager new members joining that its kept us quite active. And this July will be no exception as we look forward to conferring upon Brother Ryan Barns his Third Degree. And we would also like to congratulate Brother Khatchadoorian who received his Third Degree this past

month and look forward to working with him in the years to come.

Worshipful Miller with Brother Khatchadoorian

In addition to these degree activities we began this June holding a social night on the first Thursday of the month, all are welcome to attend and invite anyone, family, coworkers and the like who may have seemed interested or ask you questions about masonry and allow them to get to know us a bit better. In June we began with pizza, beer and basketball and the response of those who attended was to make this a regular event. So over the summer months to come we will keep this going on the first Thursday beginning at 6:00 P.M.. Should attendance and interest remain strong we will continue this as a monthly event.

Here's hoping all of you out there have a wonderful summer and please be careful in those many more hot days we have to come.

Greetings from the West

Boy is it hot. It is July in Fresno so what should we expect. We had a couple of nice degrees in June that were real nice. For each degree and the stated meeting the dinner crew put an excellent spread, I thank them for feeding us so well. We must be the best fed fraternity in Fresno.

We seem to be slowing down a bit, dark on June 23rd, kinda of strange for us. On the first Thursday of the month we are trying to have a social day and so far it has been very enjoyable.

On the July 14th we will raising Ryan Barnes to the Master Mason Degree. For our Stated Meeting dinner in July will be special as a Rain Bow Dad will be preparing a special dinner for us and as always the girls and their wonderful leaders will be serving us.

June Stated Dinner, Master's Table

So join us in July as we meet we always eat!
Be safe and have a wonderful Fourth of July and stay cool.

Fraternally,

Mike Tyrcha, Senior Warden

June 9, 2015, Brother Khatchadoorian
Master Mason Degree

Greetings from the South

The HEAT is here! Summer is upon us and with that comes the loads of sunscreen (must prevent those wrinkles) and the heart attack high A/C bills, amidst all of this there is still great food and wonderful friends to be found at our lodge meetings.

Beef ribs, beans and vegetables were a huge boom. The salad bar was fresh and welcoming as always and the Rainbow girls never fail to bring out the most fabulous desserts. Speaking of our wonderful Rainbow girls, they have a BBQ and swim party in the works. They sure know how to beat the heat. Guys.....no speedos allowed!

I think it's an oxymoron to go dark during the longest and brightest days of the year but tradition is tradition so in the dark we go. Fear not my fellow brothers we will still get together the first Thursday of every month to tell tall tales of our summer adventures.

I am looking forward to the Widow Sons getting together again, it's a great opportunity to spend time with all our brothers who share a common bond of brotherhood and bikes.

On to more serious business, Brother David Garza and Karekin Khatchadorian were raised to sublime degree of Master Mason and we couldn't be more proud for them. It is a wonderful thing to stay committed and continue to climb the degree ladder.

To all the officers, as this month comes to a close remember to practice for your next position in the line, the transition to our new stations is just around the corner. Stay cool and ride on!

Our Grand Representative & Worthy Patron Cliff Henderson is back home from Grand Chapter in Montana. He had a really great time, and was treated royally. Lots of meetings and meals. He was asked if he was coming back next year, he explained his appointment is up at the end of this year; but they said he should come just to visit.

Donna & John Herring and Bob & Becky Davis from our chapter were there also. They all got together for a couple of meals and attended several functions. The four of them continued on their various vacations, seeing lots of places.

Cliff and I had planed to take our travel trailer and visit several landmarks, but things didn't work out so I stayed home and held down the fort. Cliff has really enjoyed his term as Grand Representative and will be honored by a reception on September 21st as the Grand Representative to Montana in California to attend RSVP to John Herring (559) 352-9217, E-mail, donnawgm05@aol.com, or Bob Davis (559) 297-9335, E-mail, bobbedavis@att.net.

We will be attending California Grand Chapter October 19th through the 22.

Pot of Gold Article by Gwen - 13 years old

What has Heart of the Valley been doing since Grand Assembly 2016?

Grand Assembly this year was definitely spotlight worthy! But since then, what has Heart of the Valley been doing? Well, let me tell you! Since Grand Assembly 2016, HOV has been helping out with our sister assembly and local masons! We've been helping our Masons at monthly dinners! We showed up at Disneyland© with smiles on our faces and learned about leadership!

On May 14th, we had our mystery trip to the Santa Cruz Mystery Spot© and spent the rest of that day on the boardwalk having fun while picking up trash for faith's pure service project!

And on May 22nd, we are helping out at Visalia's initiation! In April, we had a Masonic Youth Dinner! And we are also having our Faith's membership party soon! At Grand Assembly, we quite a few girls involved. We had Gwen Corgan in the choir with Julia Holman conducting it! We also had Samantha Jones as Immortality. And, we had girls in competitions such as ritual, sew and show, arts and crafts, and poetry! Well, check in soon for more new from Heart of the Valley

Do you know of a girl between the ages of 8-20 that could benefit from the wonderful teachings of Rainbow and our Pledge group? Let us know! We would love to invite prospective members to our fun and fantastic events!

Heart of the Valley Assembly has 4 month terms for their officers. Term calendars are prepared by the incoming Worthy Advisor for Feb – May, June – Sept and Oct – January. We would love to include your public events. Please send your events at least one month prior to publication of our term calendars.

Have we got news for you! Our Supreme Session was

held in Indianapolis, Indiana from June 15th through the 19th and there were 17 attendees from our temple. Visiting that city was not on my bucket list but I found it awesome

with very walkable venues of museums, eating places, shopping, hotels, a triple A baseball stadium and of course within 6 blocks of the home of the Indianapolis Colts and the Lucas Oil Stadium. We joined 1,300 other women from around the United States and Canada to conduct business, renew old friendship, make new friendships and celebrate our almost 3 million dollars' worth of financial aid and services to the Shriner's Children's Hospitals in Canada, Mexico and the US. What a celebration with music, drums, pageantry, dancing, marching and singing – and the bling from the crowns of 116 queens present.

Queen
Jan Arnold

One great honor for our relatively small temple was being presented with a special award as one of the major donors of more than \$10,000 (actually \$16,000+) to the Supreme Temple Foundation. Another honor not only for our temple but for our very special Past Queen Dale Obernolte was to have her elected as Supreme Princess Badoura. This line office will see her installed in 2019 as the Supreme Queen of Daughters of the Nile. What excitement and visibility for Sharon Temple members and four years of working together to host a Supreme Session. She has elected to hold that session in Reno, Nevada with the support and help of the members of Ammon-Ra Temple.

There will be renewed energy and enthusiasm as we launch into this new project and we are always looking for a few (or a lot) of good women to join the excitement. We have an Ice Cream Social, Queen's Dinner, Choir Luau fundraiser and our October 1st "Jungle Fever" Fashion Show to look forward to as well. Anyone interested in joining us and meeting your new best friends you didn't know you knew – come join the Wild about Nile safari.

Liberty! That's what our Ancestors hear
When they made that Big Bell Ring,
Liberty, what a sweet, sweet, song...
A precious and hard won thing.
What so many have fought and died for...
Home of the Brave and Land of the Free,
A Land that is Good, and Grand and True...
And there's no land where we'd rather be-
Land of the Red, White, and Blue.
Land of the Free, because of the Brave

Happy 4th of July

Lena Cook: Widows Club

Greetings from the Archives

There have always been differences in the various Lodges in Fresno but in the past it was common to have joint social events such as baseball games and dances. After WW II these social events were becoming more infrequent. While there were large numbers of candidates from the end of WW II through the mid 1950's this started to diminish. While Las Palmas was always fortunate to have plenty of candidates, the other local Lodges were not so fortunate. There was, in essence, competition between the Lodges for candidates.

While I was preparing the biographies of the Past Masters of Clovis Lodge for our website, I noticed one very important difference between Clovis Lodge and Las Palmas Lodge. From the time of WW II through the mid 1950's, it would take a candidate at Las Palmas Lodge almost 2 years to get his three degrees. This was not because the Las Palmas candidates were not learning their proficiencies; it was because Las Palmas was so busy. For many years we conferred degrees two or three days out of the week and it was almost always 5 first degrees, 5 second degrees and between 3 and 5 third degrees at a time. In Clovis Lodge a candidate who quickly learned his proficiencies could get all three degrees in two to three months. The reason is that Clovis (and presumably Fresno, Center and Sun Garden) were no way as busy as Las Palmas.

Once Las Palmas started to meet in its new Temple in January of 1961, which was located in a much more desirable location than the old Down Town Temple, Las Palmas continued to get the greatest number of candidates.

Social Night at Las Palmas Masonic Center, June 2, 2016

The Officers and Brothers took the night off from degree work, enjoyed pizza and beer! Had a great attendance, some watched the Warriors crush the Caves'. Worshipful Bersani did some coaching on cribbage. Some played cards, while others just socialize! Was a great change up, as we have been doing degrees every Thursday for over a year.
