## Greetings from the East

# HALLOWEEN

Greeting brethren and friends, hoping all are well. This past month has been a somber one here at Las Palmas Masonic Center. We lost our good friend and our Senior Warden Michael Tyrcha to his fight with cancer. Even after such an event it is uplifting to view the principles of Masonic brotherhood displayed so clearly by our members, and I would like to send a special thanks to all those brothers who took time from their busy schedules to aid our fallen brother's widow in her recent move.

This past month also held for us all many positive events, particularly our annual Past Masters Night. And I would once again like to thank all our lodges Past Masters, as well as many from our local

surrounding lodges for making this a memorable night for our lodge and particularly for our newly raised Master Mason, Daniel Tamayo. We also had the pleasure of welcoming Brother Henry Alcantara as our lodges newest Entered Apprentice Mason and look forward to working with him more in the months to come.

During the coming month of October we will have many more opportunities for fellowship amongst our brethren but also to show support to our community in general. The annual Zoo Boo event at Fresno's Chaffee Zoo will take place the last two weekends in October, and we will once again be pleased to conduct our Child ID program for the kids and their parents. If you are available and wish to volunteer to assist in this your help is always appreciated and please contact us for further information on this event and how you can help. In addition this month also holds our Grand Lodge

Worshipful Andrew Miller with Daniel Tamayo

Annual Communication in San Francisco. Many pieces of new legislation have been submitted by our brothers from across the state that will soon be considered. And as we prepare to cast your lodges vote we encourage all of you to share your respective input and opinions on these several issues.

Have a wonderful month, a safe and happy Halloween, and hope to see you all at lodge soon.

Inspector Steven Wood, 618th District, Worshipful Miller and the Brothers from Oregon and Montana Lodges

2016 Past Masters Night, featured a fantastic steak dinner, a fresh green salad was on the table, Joe Sallee and his kitchen crew prepared a perfectly BBQed New York strip steak, with pilaf and asparagus. Our Heart of the Valley Rain Bow Assembly No. 217 girls and staff served this special meal on steaming hot plates. They made this night very special for our Past Masters and our Lodge!

The Past Masters filled the stations for a Master Mason Degree. Was some really fine ritual, our Junior Past Master, Richard Sherrod as Master, Richard Frey Senior Warden, Charles Bersani Junior Warden, Randy Forrester Senior Deacon, Steve High Junior Deacon, John Herring Chaplain, Jim Wilson Senior Steward, Gordon Keeton Junior Steward.

Larry Hopper did the lecture, as always was tremendous and Randy Forrester delivered the charge. Daniel J. Tamayo was raised to the sublime degree of Master Mason was indeed a very special evening at Las Palmas Masonic Center!

*Greetings from the South*

As summer comes to a close even though the heat hasn't turned off we are all feeling the pinch in our penguin suits, there is no such thing as diet food at this lodge. As we enjoy another fabulous meal of New York Steak and all the fixings, the grace and poise of the Rainbow girls has become standard I now look for in our younger generations, Eastern Star has a bright future.

The New Year is approaching fast and the installation of officers looms on the horizon. This month we had the opportunity to see the new officers debut their first performance in their soon to be new chairs as we conferred upon Brother Henry Alcantara his first degree of Masonry. Brother Ryan Marrett did an amazing job as Master. We have a strong

lodge and a strong brotherhood, this next year will be an exciting adventure us, as we have the youngest succession line that I have seen in my time with the Masons. I marvel at all the new blood and their desire to participate and serve. We also have a bright future.

As fall approaches and we prepare to enjoy the cooler weather (when it gets here), don't forget that Thanksgiving and Christmas are right around the corner. Lots to be thankful and this Brotherhood is certainly one of them.

Fraternally yours,  
Scott Fichtner Junior Warden

Our September pre-session fun time found us learning how to make colorful tissue paper flowers and paper napkin favor cups. Who says "experienced" folks can't learn new tricks! Even those members who thought they had minimal creative skills found otherwise.

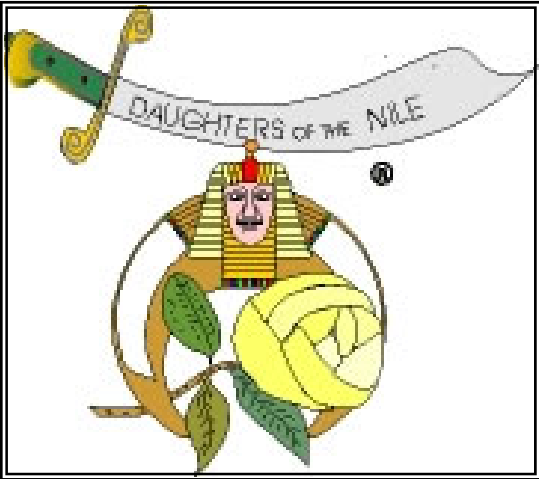

We continue to prepare for our annual Fashion Show Fundraiser on October the 1<sup>st</sup> at Pardini's on West Shaw. All the committees are hard at work to make this an amazing format for enjoying friends, fellowship, food and create funds for our Temple and the Daughters of the Nile Foundation.

Time is short as well for the preparations for the Supreme Queen's Official Visit on November 13<sup>th</sup>. A number of members will be traveling to the Oregon official visits as well as Sacramento, Oakland and San Francisco. After her visit to Fresno she will be escorted to Reno for their turn and then she will be heading back to her home in Indianapolis for the Thanksgiving holiday.

## Greetings from the Archives

By 1963 we had been in our new temple for 2 years and Las Palmas was beginning to be strapped for cash due to the mortgage payments for our new Temple. By this time the other Lodges in Fresno had vacated the old Temple and the Temple building had been sold to the Fresno Redevelopment Agency. Las Palmas's problem was caused by the other Masonic bodies in Fresno, with whom we jointly owned the old Masonic Temple in downtown Fresno, refusal to pay Las Palmas our fair share of the money that the Redevelopment Agency paid for the Temple, We had counted on this money to help pay off the mortgage on our new Temple.

In January, 1964 we sought help from Grand Lodge. If we had been paid for our 304 shares of stock, we could have paid off our mortgage. Grand Lodge must not have looked favorably on our request. Perhaps this was because our Inspector was Sam Dollar who was a past master of Center Lodge which was a shareholder in the old Temple and Herbert Hargrave was the other inspector in the area and even though he was a past master of Sun Garden Lodge, he knew that Sun Garden desperately need a place to hold their meetings.

I received my first degree in Masonry in the fall of 1967 so by the time I became a member of Las Palmas, I could easily see that there were real hard feelings between Las Palmas and the other Lodges in Fresno who had denied us our fair share of revenue from the sale of the old Temple.

One of the teachings of Masonry (as well as the Bible) is to treat others as you would like to be treated. "Do unto others as you would do unto yourself." Certainly this was not done here. Were the other Lodges envious of the success that Las Palmas was having, or were they just looking out for themselves so that they could build their own new Temple? We will never know as by now all of the principals involved are no longer with us. Sam Dollar retired as an Inspector in late 1968 while Herbert Hargrave would not retire until a young Grand Master started a rule that he would not reappoint any inspector who had served 10 years or more.

September 19, 2016, Fresno Scottish Rite Stated Dinner, our Brother, Don Williams and his band played before the stated meeting, we have our very Tony Bennett, what a wonderful voice! Maybe he would sing a tune or two at our dinner.

Saturday, September 17, 2016, Past Master Richard Sherrod and several Brothers from Las Palmas-Ponderosa Lodge assisted Kimberly Tyrcha in moving after the death of her husband Mike.
