## *Greetings from the East*

Greetings to all for the month of April, here's hoping you all are getting a pleasant and productive start to your spring season. Here at Las Palmas we have had a very productive and event filled month. I'd like to take this opportunity to congratulate the newest member of our lodge, our most recent Entered Apprentice initiate Brother Christopher Guillen. By the same token I would like to congratulate Brother Henry Alcantara for the hard work and dedication he has to our lodge by his recent completion of his Third Degree proficiency.

In the past few weeks Brother Alcantara and I had the opportunity to attend an educational symposium hosted at UCLA by our Grand Lodge which covered the history and development of Freemasonry in Latin American countries. This

was a unique and rewarding

experience covering my less known and often overlooked facets of our Masonic history in the Americas.

In addition this past month myself and our Senior Warden, Brother Fichtner had the opportunity to attend our Grand Lodges Annual Masters and Wardens Retreat in the town of Monterrey. Here we were able to attend many workshops and lectures which granted more insight into the management of a lodge and the candidate experience, how to make this more rewarding and unique experience to him and the ever tasking goal of candidate retention and advancement. I know Brother Fichtner and I gained many useful insights at this event and would like to thank our lodge for sending us to participate in this rewarding experience.

And lastly, I would certainly be remiss if I did not take this opportunity to congratulate our Junior Warden, Brother Marrett and his wife on the birth of their newest daughter who was born this past weekend, a healthy and happy baby girl. Congratulations Brother.

Andrew, Worshipful Master

## *April is Public Schools Month*

Please join me at the April 20, 2017 Stated Meeting dinner, we will award our Scholarship applicants with dinner and special presentations.

## *Greetings from the West*

The calendar says Spring has finally arrived but I think mother nature has other plans. We have enjoyed a few good days of warm weather but those cool rainy ones keep returning, I guess I shouldn't complain since we need the moisture. Although the seasons seem to have stalled, the lodge continues to spring forward. We have been honored by yet another first degree initiation, let's all welcome our newest entered apprentice, Brother Christopher Guillen. We were also blessed to have two of our brothers successfully pass their degree proficiencies, well done Brother Boyajian on your first degree proficiency and Brother Henry Alcantara on your third degree proficiency, I am continually impressed by all of our new members as they progress through their degrees.

Worshipful Andrew Miller and I were able to attend this years Master and Warden's retreat in Monterey on behalf of the lodge. The various sessions provided me with a great many ideas to help support our newest members with their degrees and to help strengthen our lodge through more activities and member involvement. As Senior Warden I look forward to being elected Master in 2018 with the blessing of our lodge. It will be my goal to focus on activities that will encourage our tenured members to return to the lodge and share their knowledge and experiences with our newer brothers. It saddens me to attend so many Stated Meetings and degrees with so few members knowing that our actual membership is in the hundreds. For all my brothers that are reading this article that haven't been to lodge for some time I hope you will give me an opportunity to show you my desire to build a brotherhood that encourages and supports its members in a fun atmosphere.

A successful future is often the result of a legendary past!

Join us in celebrating the wisdom that built the foundation upon which the pillars of Freemasonry now stand. The future is bright, come and be a part of it with me.

Scott, Senior Warden

Christopher J. Guillen, Entered Apprentice Degree

## *Greetings from the South*

What a last few weeks, work, work and more work, I missed the stated meeting dinner, stated meeting and the First Degree on the 23rd, thank you to everyone who covered for me.

On the 24th of March, my wonderful wife, Jennifer, gave me, Ella Mae, a 7 lb, 10 1/2 oz baby girl, wow, I am truly blessed.

Hopefully work will slow down a bit soon! I will be ready when the next First Degree comes around to do my part. I am told there was a good turn out for the degree. I really look forward to doing the Masters work in the Entered Apprentice Degree, I have missed being in lodge and all the Brothers!

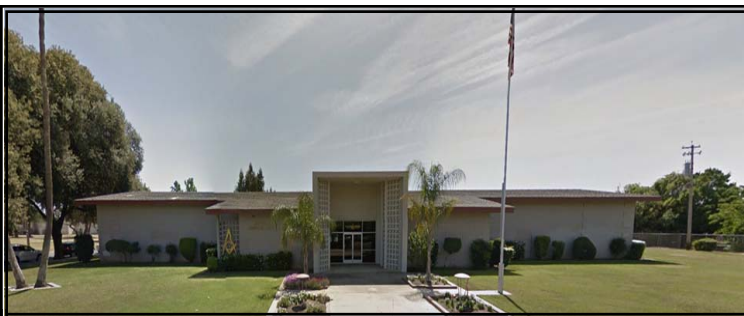

As soon as the family is stable with the newborn and work allows, I will be back in lodge again.  
Ryan  
Junior Warden

Friday, March 24, 2017 was our Public Schools Bike Program for the quarter. Many thanks to P.M. Richard W. Sherrod, Jeremy Hartman and our newest Entered Apprentice Christopher Guillen for the presentation of 2 bicycles, 2 helmets, 15 back packs and 15 book bags. Many thanks to all the Brothers who stepped up to help as I was out of town due to work! Josh Crane

*Stated Meeting- Everyone's Birthday-March 21*

In 1922, Rainbow was created for young women whose fathers were members of the Masonic Lodge, and their friends. Although a Christian minister named W. Mark Sexson founded the organization, today the leaders of Rainbow Girls respect and welcome all girls from every religion. Their main focus is more on the spiritual principles of being a kind and caring person. While the Rainbow practices and programs continue to evolve, the basic teachings of faith, hope, and charity remain a cornerstone of this dynamic girl's youth group.

Today, there are more than 850 assemblies across the world that has bimonthly meetings. This is how the members learn standard meeting protocol and parliamentary procedure.

Adults are always present to provide support, guidance, and help interpret the rules. Members also learn to memorize meaningful lectures and to be prepared for extemporaneous speeches. Faith, Hope and Charity are the guiding principles with the teachings of Love, Religion, Nature, Immortality, Fidelity, Patriotism and Service.

### Queen's Farewell

This has been a busy month of celebrations and preparation of the clubs and units for a new year of leadership and activities. The March farewell meeting was such fun as everyone in attendance was challenged to return my missing leopard spots hidden around the temple room.

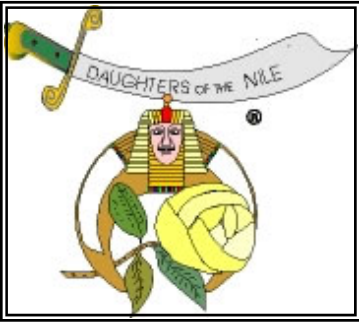

The Farewell Luncheon held at the Elbow Room was finished off with an over the hill cake showing that "Jan had a Plan" and it had included fun fellowship options and new projects. I was presented with a beautiful quilt created by Jean Denton which reflected our zoo themed year with the Supreme Queen's leopard theme and my passion for elephants. Each year the officers usually present a wonderful memory book and the flip side of my elephant quilt shows memory pictures of my installation. That quilt will wrap me years in the future with recollections of a fabulous experience. My year as Queen of Sharon Temple closes with the installation our new Queen and her officers. I am honored to have served in this capacity for the past year and am thankful to my outstanding officers, the ladies of the household and the past queens who have helped make it not only memorable for me but productive for our philanthropy. We have worked hard for the children of Shriner's Hospitals and enjoyed the fun and fellowship of great friends and activities. As I move to the roll of Junior Past Queen I will sit beside her Majesty with encouragement and support as she brings her style and visions to Sharon Temple. We are all committed to sustaining our traditions and history along with the incorporation of innovative ideas for fun and projects. We look to encourage new generations of members who will embrace our idea of service to the children and families in the Shriner's system in healing bodies and changing lives.

My love to all,  
Jan Arnold

## From the Archives

My monthly article in the Las Palmas-Ponderosa Trestle Board will now be talking about my personal contacts with Masonry and Las Palmas Lodge.

In October of 1967 I had my Uncle Royal take my petition over to the Lodge Secretary and in a few weeks I got a letter from the Lodge asking me to come over for a meeting with the "screening committee".

When I arrived at Las Palmas Lodge, I found that I was one of four applicants being screened that evening. I remember being seated at a table in the card room with 3 older members from the Lodge. One was

Robert Larson who asked me "Why did I desire to join Las Palmas Lodge when there were 4 other lodges in Fresno." The question was asked in such a tone that I felt they didn't want me to join Las Palmas. I answered that "this was the Lodge my late father was a member of". I hoped that this answer would satisfy their desire to let me apply to Las Palmas as opposed to another Lodge. Of course there were lots of other questions.

Years later I learned that this "inquisition", or screening as they called it, was not permitted by the Grand Lodge.

Within the next couple of weeks I was separately visited by three members of Las Palmas Lodge at my home. At the time, I was a second year teacher at Clovis Hi School and was living at home with my widowed mother. I remember two of these members were Wally Scott who served as our Lodge Chaplain for many years. The other was Al Lucas who was later assigned as my coach.

On November 16, 1967 I, and the other three applicants, Perry Fouts, David L. James, and James Buckles were voted to receive the degrees of Masonry in Las Palmas Lodge.
