## Greetings from the East

What a wonderful February we had! It started with the **International Order of Rainbow for Girls (IORG)** Installation and all had a great time. Those girls know how to have FUN! Then came a Super Bowl won by cornish game hens. We attended "Brothers Night" at **Legacy Chapter** and even got to participate in "Family Feud." On Feb. 16<sup>th</sup> Las Palmas hosted the **Grand Lecture's Ritual Seminar**. About 90 Masons from around the state came and listened to the Grand Lecturer **Jack M. Rose** as he showed us and many others how it is done. Many questions were answered and all who attended enjoyed an *outstanding breakfast* and very informative and positive seminar. On the 18<sup>th</sup> we attended the **Job's Daughters Bethel No.49** initiation and witnessed excellent ritual and amazing floor work. These girls were *meaningful* and *elegant*. What a *pleasure* it is to support today's youth groups. **Today's youth, tomorrow's leaders!**

Our February Stated Meeting Dinner celebrated "**Sweethearts Month**" and was a special celebration for the **ladies** and **Masonic Widows**. As I look around our organizations (Star, IORG, Job's and more) I see how *giving* and *supportive* these wonderful women are. Masons are truly blessed to be surrounded by such love and kindness. February should be *every month*. **Thank You ladies for so much!**

March will bring to us warmer weather and even put a "Spring" in our step. From **St. Patrick's Day** to **Palm Sunday, Good Friday** and even **Easter**, March brings many celebrations and opportunities to spend with friends and family. Mark your calendars now and plan ahead, call that special someone and tell them how much you miss them. Go ahead, make their day!

So how many know what is behind the March (Martius) meaning? Is Mother Earth feeling the initial kicks from inside the womb? Countless creation myths start with a cosmic egg... now we know what the Easter Bunny is for! Clear as 15<sup>th</sup> century mud. Nothing that curiosity and a Google search engine can't clear up... maybe.

Las Palmas has brought so much to my family. My wife and I will be attending the **Masters Retreat** in Monterey in March and look to bring back a lot of inspiration and information. What the future holds for all of us is never found by looking back. It begins from "this moment on" and is determined by each action we choose. Smiling and being a **positive role model** can bring warmth and enlightenment even before the weather does. Life Law No.6: "*There is no reality, only perception*". Acknowledge *your* history without being controlled by it. Ten Life Laws hold residence on the most sacred of places for my children, the *refrigerator door*. Valuable lessons like No. 5: "Life rewards action" and No.8 "We teach people how to treat us" are basic fundamentals for life that our schools simply don't have the time to teach. Life law No.1: "**You either get it or you don't**" explains quite a lot actually. This is why Nanette and I got married. This is why my kids do excellent in school (Family comes first). Even **why** I became a Mason (Demand more of *yourself* and others). I wanted to surround myself with "smarter, more caring" individuals. Enter Masonry. This is why my father became a Mason... because my *mother* insisted! Weldon (Jake-my dad) Sherrod *loved* **Masonry** and **Scottish Rite!** It was my *mother's family* that had all the great outfits and swords in those old photos. Who *were* those guys? What *did* they do? It sure looked like they had fun! Like those great big smiles at **Youth Group** installations and initiations which **you too** can attend. Go ahead... make their day!

Have a wonderful March!  
Richard  
Worshipful Master

Happy   
St. Patrick's Day

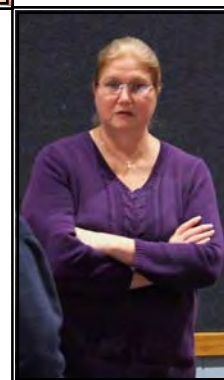

## Greetings from the West

Nathan, Senior Warden

This month, We have had many great things going on, By far the best was seeing all of the brothers that came to visit us for the Grand Lecture's Seminar, hosted by Las Palmas-Ponderosa Lodge. It always amazes me how brotherly love prevails in all things. During the seminar our Officers did an amazing job proving that practice makes perfect and received high praise from our brothers from all over the Division, I know it makes me proud to be a member of Las Palmas Ponderosa Lodge and proud to call myself an Officer. We all answer different calls in life and we are all here to support each other in our triumphs Thank you again my brothers

# HAPPY ST. PATRICK'S DAY

### Salutations Ladies...

We had a splendid February. I cannot thank our wonderful widows group enough for a great evening. Thank you to Lisa for doing the blood pressure screenings after dinner. We are so fortunate to have you as part of our Lodge family. Our ladies were going to play games but we had an enjoyable evening just getting to know one another. We kind of adopted Josh, Nathan's guest prospect and had an enjoyable evening.

March will be an exciting month. I enjoy this luck month! For our family, the youngest member Chance has a birthday and will be 13 years old. This year we celebrate St. Patty's day. For us, this is the day Richard and I first met as I sang St. Patty's day songs at Brother's night for our Eastern Star Chapter. That was 2 years before our first date. So for us it is a very special day; a bit o' the Luck of the Irish for sure! We are beginning spring on the 21<sup>st</sup> with a full moon close behind as we celebrate Easter on last day of the month! This will be a busy month!

Ladies please bring your bonnets to our Stated Meeting dinner. I would like all the ladies to join an Easter Parade. Decorate it in spring colors and frills upon it. I was requested to sing... so... if you will join the fun... I will sing "Easter Parade!" Everyone will get a prize and we will have the Master and the two Wardens choose for three special prizes. Thank you ladies for making our meeting night fun and for all of your support! We will have tea in the card room and do a mystery activity. I look forward to having another great night of fun and fellowship!

## *Greetings from the South*

What a great night, being installed as Junior Warden. I want to thank our Officer's Coach, Chuck Bersani, P.M. Larry Bennett and our Inspector, Worshipful Coleman for their time and effort with my Junior Wardens work. Our Chef, Richard Vitz and his crew prepared a wonderful dinner, with a great salad bar and many tasty appetizers. It was a special night honoring our Widows. As always we were able to serve everyone, we had many without reservations, so please remember to call our Secretary for the March Stated Meeting Dinner, we try not turn anyone away! We

have a busy month scheduled for March, practices, degrees, widows luncheon and meeting, School of Instruction at Selma Masonic Center and lots of fine dining! So checkout our Calendar, call or e-mail to socialize and dine with us.

Again thanks for attending our events

Freddie, Junior Warden

### *P.M. Richard Frey's from the Archives*

All it takes is one black cube to keep a good man from becoming a Mason. Mistakes can happen, and sometimes the tragedy can be remedied as in May, 1918.

"May 16, 1918 WHEREAS at the Stated Communication of Las Palmas Lodge, held on Thursday evening, April 18, 1918, the Petitions for Degrees of Messrs. William Lee Matlock and Robert Udell Sibley were rejected, and WHEREAS, there was in attendance at the meeting a member, who, a few days later was committed to a sanitarium for a mental ailment, and ...said brother had dealings with Messrs. Matlock and Sibley and WHEREAS, it has been intimated that said member in his incompetent condition was responsible for the ballot being unfavorable, and

WHEREAS, if said Brother was in anyway responsible for the rejection of the two above mentioned citizens, we feel a great injustice has been done these two men, who are above the average of the citizenship of our community, Therefore,

BE IT RESOLVED, that we request the grand Master for a dispensation to receive and act upon the petition for the two above named parties, as provided in Section 106 of the Grand Lodge Constitution."

The Dispensation was granted and they were elected to receive the Degrees of Masonry at a Called Communication on June 6, 1918 when third Degrees were conferred on two other brothers. Messrs. Matlock and Sibley received their First Degrees on June 27, 1918.

Tricks on a new Master have also taken place at the ballot box. If there is 1 black cube, there must be a second ballot to remove a possible mistake. However, if there are 2 black cubes in the ballot box, there is no re-ballot. At my first stated meeting there was voting on 1 petition and the ballot box contained 2 black cubes. Therefore no re-ballot. While no member of the Lodge ever came up to me with a confession so that the problem could be resolved, I always felt that two members, independently, decided to see if I knew how to conduct a ballot. Unfortunately a good man from our community was probably rejected by two brethren who were testing my knowledge on how to conduct a ballot. Such actions are not an example of Masonic conduct.

Heart of the Valley Assembly

Heart of the Valley Assembly started 2013 with mixed feelings. Emily Fink received the Majority Degree at our January 23<sup>rd</sup> meeting. Emily's Mom, Karen, performed the Majority Degree and Josette Losurdo served as Faith. We'll miss Emily as an active Rainbow Girl. We know Emily will hold Rainbow forever in her heart!

After the majority degree, the Assembly presented Worthy Advisor Samantha Jones with a beautiful scrap book filled with memories from her term of office.

Queen, Bonnie Gorden

Pearls of wisdom from the East;

As my year as Reigning Queen of Sharon Temple is quickly coming to an end, I am very grateful to everyone for the love and support that I've been blessed with. It has been a very eventful year filled with meetings, luncheons, dinners, trips and fundraisers to support the wonderful philanthropy of helping the children of the Shriners Hospitals for Children. I have had a fantastic year and fulfilled my dream. I am looking forward to our Installation of Officers for the 2013-2014 year when Jeri Rouch will be crowned our new Queen. She has a full slate of officers and I know she will have a wonderful year. I look forward to working with her as Jr. Past Queen. It will be a special year as Daughters of the Nile is celebrating it's 100<sup>th</sup> year anniversary. The Supreme Session will be held in Grapevine Texas in June and I'm sure it will be a celebration we won't forget cause "Ya All" know how those Texans do everything in a BIG way. If you know a lady who would like to know more about what we do, send her our way. She will be surprised at the fun and fellowship that the Ladies of our Household share and we will welcome her to join us.

In Love of Friendship Pearls,  
Queen Bonnie
