

Greetings from the East

*Where did the Summer go?* Hopefully you all had good times and great memories with friends and family. Now that the kids are back in school it reminded this Mason how short our Summers are and how truly valuable all our time is.

We are **all** given the same amount of time each day. One of my favorite movie lines says, "You are what you do." Our *actions* define who we are, the friends we have and which directions we choose in life. This incredible journey is much more enjoyable when surrounded by amazing and fun people just like You!

We had an amazing Hiram Award as Past Master and 45 year veteran of Masonry, Worshipful **Richard Frey** received this prestigious award in August. He was joined by family from out of state and Worshipful Richard Frey has worked very hard this year with the Past Masters Biographies for our website as well as becoming our new Webmaster for [www.LPP366.org](http://www.LPP366.org). It has been splendid in the too many funeral services we have done this year to have Worshipful Richard Frey perform the Masonic Funeral Service. Thank you Richard and congratulations!

Worshipful Frey

September looks to be a busy month. Past Masters Night kicks off the fun and we will have a great evening and some delicious food as well. Our Junior Past Master **Steve High** will be giving the Entered Apprentice lecture and we look forward to seeing Steve in action once again. On Thursday Sept. 12<sup>th</sup> will be a 2<sup>nd</sup> degree and Sept. 19<sup>th</sup> will be our Stated Meeting. Grand Lodge is right around the corner (October) and I look forward to representing Las Palmas-Ponderosa Lodge for the first time as its Master. I am sure many new changes await...

It is hard to believe that in just a few years Masonry will be celebrating its **300<sup>th</sup> year!** The first Grand Lodge was formed in London in 1717 by amazing men who were inspired to set into motion good deeds and good actions. Our founding fathers created the first "Masonic Experiment" on such a grand scale that the United States of America was formed and its cornerstone laid as a foundation of better things to be built upon. They believed that we were capable of governing ourselves. The age of "Enlightenment" was upon this great country we live in today. Maybe we should elect a few more Freemasons into office (no not Skull and Bones like Bush and Kerry) and see if *selflessness* might help to govern just a little.

I hid a small secret in the very end of last month's article and not one word was asked about it. There will be more "Easter eggs" in upcoming articles so keep your eyes open. Once we are informed of these wonderful anomalies (like the Golden Ratio) we begin to see them everywhere! Sacred Geometry surrounds us all each day. Thank goodness so does Brotherly Love and even on weekends a little "relief" as well. Have a stellar September everyone!

From the East...

-Richard

From the West

This next month is the month that we get to look back to the past. Over the last thirty day we have had the honor to give a Hiram Award to the man that has shined a light on our history as a lodge. We are reminded that masonry over the last hundred years has changed dramatically, We have gone from a society that was never talked about among family and friends to a society that passes on the tradition of masonry to our children and grand children and is in the communities supporting schools and hospitals. September 5th we will have the pleasure of hosting Past Masters Night, which is one of our annual traditions that gives us the opportunity to look back and recognize our Past Masters as counselors and honored members of our lodge. I encourage everyone to attend and support a wonderful First Degree put on by our Past Masters, It historically is one of the best degrees all year. This year is a change from tradition, normally we have a Third Degree. This year we will be doing a courtesy First Degree, Matthew Solorio for Sanger Lodge No. 316. We will be doing courtesy Second Degree's, September 12th for Sanger Lodge No. 316. Join us for our September 19th Stated Meeting Dinner, our new chef, Brandon Williams will be preparing Baked Teriyaki Chicken Breast, Rice Pilaf, Fresh Green Beans and a tasty Peach Cobbler with oatmeal topping. Call to day for reservations!

*Greetings from the South*

If you missed our August Stated Dinner and Hiram Award presentation, Worshipful Sherrod did a great presentation of the Hiram Award to Worshipful Frey. I was in the kitchen, helping Brother Ehorn with BBQing New York strip steaks, Worshipful's Bersani and Wallace were busy preparing dinner. Check out the pictures below, We really need help in the kitchen from early afternoon until serving time. There are many tasks to be done in preparing these dinners. We are one of the few Lodges in this District serving a Stated Dinner like we do. September will be a very busy month for all of our Officers, we will do a courtesy Second Degree for Sanger Lodge No 316 on September 12th, our Stated Meeting Dinner, September 19th will have a new chef for our Lodge Stated Dinner. Please call our Secretary for reservations today! We will still need brothers to help with table set-up, a little help in the kitchen and with serving. September 25th Officers School of Instruction and September 26th will be a First Degree.

See you in Lodge, God Bless!

U.S. NAVAL SEA CADET CORPS

# FRESNO BATTALION

C.O. LTjg. John Ferretti

X.O. LT. Lance Wheeler

LPO. PO2 Kasani Wise

September is National Sea Cadet Month. This is an exciting month for our family as our daughter is now LPO of the Fresno Battalion, U.S. Sea Cadet unit. This is the highest ranking position that the cadets can achieve. Her goal is to be able to sew on her Chief Petty Officer by next year.

Our Sea Cadet unit has the support of many fine Masons that act as mentors to our cadets. Chief Hudson is a long time member of Selma Lodge. Damon Israel is the Tyler from Clovis Lodge. Robert Sisson is also from Clovis and is their Jr. Deacon. Richard and I are from Las Palmas-Ponderosa. Finally, Captain Skip Dyck is also from Las Palmas-Ponderosa Lodge. Capt. Dyck has been so inspiring to many of the cadets. He has given military instruction as well as taught map, chart and compass reading. He is a fine example of honor, courage and commitment for our cadets as he lives these values throughout his life. He is preparing to move on to other activities in his life and will be missed as a Sea Cadet officer! The Fresno Battalion will miss his humor and his dedication to our unit! October will be his last month working at our unit.

Ladies... September is the last month of Summer. Fall is just around the corner. It is the end of our grape season but the beginning of the raisin season. Fresno is known for its raisins all over the world. A word about this fruit. Raisins are great for your health. They can be high in sugar so you might want to mix them with peanut butter to lower the glycemic impact of them if you are a diabetic. Raisins are great for your alimentary canal. They keep everything in tip top shape. They have anti-inflammatory properties and have anti-bacterial properties as well. They lower acidity levels which make the body more uninhabitable for cancer. They are great for adding iron and calcium as well as boron for bone health. These little raisins are great for a variety of vision problems like cataract prevention and aiding in preventing Macular Degeneration. The big one for me is they are rich in **resveraol** and **anthocyanins** which are two of the most important nutritive substances you can have.

Bon appetite... and enjoy some extra raisins this month.

*Queen's thoughts for September;*

Summer is rushing by, and before you know it, we'll all be back in session. The past thirty days have been very busy, but enjoyable. The Queen's Dinner was held at "Cattlemen's" in Selma and we had a wonderful evening. Lots of good fellowship and a terrific meal.

August 3<sup>rd</sup> took us to the "Spike and Rail" for the Patrol Luncheon. We spent time visiting and catching up with one another. A very special lunch! Later in the afternoon, we

found out that Past Queen, Helen Kovacevich had fallen and broken her hip. We all wish her a speedy recovery.

Our Jewelry Party, to benefit the Supreme Queen's project, didn't have a huge turnout, but we did earn some extra money. Thanks to all who participated.

On August 19<sup>th</sup>, we boarded a bus and headed for Morro Bay for the Queen's Trip. We began the day with coffee and doughnuts, then had snacks, drinks, Bingo and a rest stop on our way. We boarded the "Chablis Cruises" boat for our lunch and a cruise on the bay. Mother Nature even parted the fog so that we could have a little sun while we were cruising. (see pictures on following pages)

And Our Choir is having it's annual Luau on Sunday, August 8<sup>th</sup>. We will gather at 4:00 PM and have dinner at 5:00 PM. There will be entertainment, great food, fun and lots of time to visit. We all like to socialize!! Come join us!!

Our regular sessions begin on Sept. 11<sup>th</sup>, so mark your calendars and let's get going again!!

## *Worshipful Richard Frey's form the Archives*

When our Grand Lodge met in October of 1979 it adopted a new form of recognition for a brother who had freely given many years of service to his Lodge. This recognition was called The Hiram Award. There were no specified requirements for the recipient, just that he had given years of faithful service to his Lodge. In 1979, I was the Senior Warden and together with Master Bobby Bingham we selected Paul Chandler Shelly as our first Hiram Award recipient. Brother Paul had been our Lodge Organist since 1955 and had also served on our Public Schools-Education committee for many years. The following year I, as Master, selected our second Hiram Award recipient—Wallace Raymond Scott. Brother Wally had been our Chaplain since 1970 and had served on many Lodge committees including the Bicentennial and Public Schools-Education. You can check out all of our Hiram Award recipients by going to our website [www.lpp366.org](http://www.lpp366.org) and clicking on the tab on the left side of the page for Hiram Award Recipients.

In the ensuing years, the selection of a Hiram Award Recipient at Las Palmas-Ponderosa Lodge has gone from the Master to a committee. One thing has not changed, however, the recipient has always given much to his Lodge. In the 33 years since its inception, Las Palmas and Las Palmas-Ponderosa Lodge have bestowed only 28 Hiram Awards. At our last Stated Meeting, I was placed in that distinguished group of Brothers as our Lodge's 29<sup>th</sup> Hiram Award recipient.

I believe that I can speak for all 29 of us in saying that we gave our service to our Lodge not in anticipation of receiving a Hiram Award, but out of love and respect for our Lodge and the Brother Masons who make up our Lodge.

For those of you who did not attend the dinner and presentation, you missed a great steak dinner and a wonderful presentation by Master Richard Sherrod. For those 70+ brothers, friends, and family who attended I thank you!
