

A MESSAGE FROM THE MASTER

The month of June is one of many activities: travel abroad, graduations, vacations, picnics, and what have you.

We at Las Palmas will have our annual Shish Kebab dinner on June 15, 1972, for which reservations are a MUST. If you will be away but plan to be back, make your reservations NOW. Deadline is June 13 - no exceptions. It will cost you \$2.50 a plate. To make your reservations, please call Mary Perch at 268-2285 or the Lodge at 268-2303.

Your reservation cards for our 3rd annual picnic at Kearney Park should be in by June 1 so that we can plan accordingly.

We will be laying the cornerstone at Fresno High School on June 24, 1972. Attend lodge and get the details.

We were pleased to have with us on May 18 Rachel Brown, who is our guest at Union city. She presented us with some very lovely ceramic gifts which she had made. Our own Dr. Arnold Finch gave us some very informative facts regarding the Fresno City Schools that same night.

Bro. Heber Moreland, who has been our very capable Sick and Visitation Committee chairman, is moving to Santa Barbara, and we now need a replacement for this important committee. We need a VOLUNTEER. The pay is low but very gratifying. We will miss you, Heber.

Bro. C. K. Wakefield has been a member of Las Palmas for 60 years. He was raised on April 12, 1912. Can anyone top this?

We will be dark in the months of July and August, except for our Stated meetings. Everyone have a good vacation.

Fraternally,
Ralph Saroyan, Master

THE SECRETARY'S CORNER

This month will wind up our annual contributions to our Masonic Homes Endowment Fund. Let's join together in this most worthy cause in our "Masonic Charity" and finish up our 1971-72 year in a big way.

Our total contributions to date amount to \$2,889.50 as being received from 367 of our membership. Our active membership is 1010 and I am hoping our members who have not contributed as yet will do so now in order that I may include you in my report to Grand Lodge. Our "Homes" for the elderly and for the children - we are all proud of; "so stretch forth a helping hand" to them in a small way, for there is no greater cause than this in our "Masonic Charity".

In my May bulletin to you, I stressed the importance of your annual dues. There remains 105 members who have not as yet forwarded their 1972 dues and 15 who remain unpaid for 1971 and 1972. I render my semi-annual reports to the Grand Lodge and ours at our stated meeting June 15. I do not wish to report delinquent members at that time so let me hear from you now - by "spreading some ink on a check" that will place you in good standing.

I will look forward to hearing from you and to seeing you in "My Lodge and yours" - Las Palmas.

Norm S. Foley, P.M., Secretary
