

## A MESSAGE FROM THE MASTER

On the second week of October, The Grand Lodge of California will hold its annual communication in San Francisco. Any Master Mason in good standing may attend its meetings but cannot vote. This year, Las Palmas will be represented by the three top officers of the lodge, the Master, Sr. Warden, and Jr. Warden. A report will be given to the Lodge by the Jr. Warden at the next stated meeting.

Bro. Harvey Wimer, our tiler, is home recuperating and is looking for visitors. Our Bro. Chet Snyder is at Hope Manor and would also enjoy visitors. Bro. Geo. Posson, P.M., is filling in for Bro. Harvey as tiler and doing a fine job. Don't worry, Harvey, your job is secure. The officers will be changing to regular tuxedos for our degree work starting Oct. 5, 1972.

The 25-year presentations will be held on November 16. Past Masters night will be in November; the date will be announced later.

Bethel 439 will have an enchilada dinner at Las Palmas Lodge on Oct. 10 between 5:30 p.m. and 7:30 p.m. Here is our chance to support this youth group which is raising money for its different expenses.

Fraternally

Ralph Saroyan, Master

## THE SECRETARY'S CORNER

The officers of your Lodge are in full serving again following a 2-month summer rest of Degree work. Last month 4 First Degrees and 2 Second Degrees were conferred. Come out and join us; your Worshipful Master Ralph Saroyan would be pleased as well as his officers and particularly the candidates. You too would enjoy the evening in again seeing old friends and meeting new ones.

It has been necessary to reschedule our annual 25-year pin presentation night to Thursday, November 16. We had originally set this event for October 19th; but circumstances have forced us to move it up to our Stated Meeting in November. Please mark your calendars to attend to witness a number of our members that have reached this milestone in their Masonic lives. There will also be for the same evening 4-5 year pin presentations; which will be a big "double main event". The recipients of these memorable pins; I know would be very happy for your attendance.

For some time I have wished to compile a "Trade Business Roster" file. Many times I have been asked by members if I knew a member of our Lodge who operated an Electrical, Plumbing, Automotive Repairs, Cement work, etc. type of business. I have referred them as much as possible.

To those operating trade businesses, if you wish to so inform me, I will compile a card index file of your trade and refer to you on requests that I would receive for anything in your field of endeavor. Many Brethren like to trade with one of their own and I will be pleased to be of assistance to you and them.

I will look forward to hearing from you and to seeing you in "My Lodge and Yours," Las Palmas.

Norm S. Foley, P.M., Secretary
