My Brothers:

The Masonic year of 1982 is just about over and it has been one of the most rewarding years of my life. Not just because I was Master this year, but mainly because you, my Brothers, chose me to be Master of your Lodge, Las Palmas No. 366, Free and Accepted Masons of the State of California. I feel that no higher honor can be bestowed upon a Brother than to have his Brother Masons select him to serve them as Master; my sincere thanks to each of you.

Las Palmas is indeed fortunate this next year to have Brother Eldon Cole serve as Master. When you elected Brother Cole at our last stated meeting you elected one of the most dedicated masons that it has been my privilege to be associated with. Brother Cole has demonstrated time and again his devotion to Masonry and I'm sure that his year as Master of Las Palmas will be an outstanding event in the history of this great Masonic Lodge.

My special thanks to the officers that accepted the appointments that I was privileged to make this year. Each of you, in due time, will be outstanding Masters and a credit to Las Palmas.

To the Brothers that accepted committee appointments, you have my eternal thanks. Without the help of each of you our Masonic Year would have been somewhat less than the success that I believe it was.

Fraternally,

JIM KLEINKNIGHT
W.M. 1982

Brethren:

This month we say welcome to Bro. Kenneth Wayne Hanson, who was made an Entered Apprentice Mason December 2, 1982. Welcome, my brother, to the oldest, largest, and most honorable Fraternity in the world as we know it. You can be justly proud of having been accepted into this Order.

The following is a short explanation of one of the Tenets of Masonry explained in the First Degree.

It is the duty of every Mason to conduct himself so that his word shall be above suspicion. He should always be governed by the Divine attribute, the Law of Truth.

To those who are working on a degree proficiency; let's bring the New Year in with a job well done. Your officers and brethren look forward to your advancement.

May your Holiday Season have been wonderful, but now it is time to resume our labors.

See you in your Lodge and mine — Las Palmas.

Fraternally,
Eldon W. Cole, SW

Let's Hear from You!

Your officers are now making plans for Public Schools Week this coming April. In order for it to be an outstanding event, we want everyone to participate. We want your input.

If it was **your** responsibility to plan for this Observance what would you do? Would you repeat what we've done in the past? Or would you make any changes? How would you improve attendance? If you haven't attended these affairs in the past, what kept you away? What would induce you to come?

Let's hear it from you!

December 16 Ceremonies

The Ladies were invited into the Lodge room to share in the presentations and Necrology Service.

Wallace Scott presented Bibles to Lawrence Bennett, Tony Marash, and Ronnie Rogers to commemorate their passing their third degree proficiencies.

Wayne Hearn P.M. chaired the Necrology Services with Ed Carpenter P.M. in the West, and Sam Pavlovich P.M. in the South, and Bob Reynolds, P.M. at the Altar. Hearn said in part:

"There are no words which we can utter and no honors that we can bestow upon their memories that would enrich their lives beyond that which they achieved for themselves by their desires to be Masons — their activities, their masonic experience as they lived it, each in their personal way.

"There is no better time than the present in which to remind ourselves of the privileges of fraternal friendship; to rededicate ourselves to the masonic principles of brotherly love, to charity in its true sense of 'love' and 'concern for our fellow man', and, to remember to enjoy the happy friendship of our brothers, wherever we may meet them, lest the time shall come when we can recall them only in our memories, — and, ... a rose... upon the altar... becomes a final, silent tribute to their masonic 'life'."
