## *Greetings from the East*

Greetings to all for the month of May. This has been a most productive past month of April for our lodge. We were pleased to be joined this past month by many of our local teachers here in Fresno and took pleasure in celebrating our Annual Public Schools Month and as always would like to thank our many teachers in our local community for all their hard work and dedication.

It was also my pleasure this past month to attend the 2016 Installation of State Center Chapter of DeMolay hosted by our lodge and wish their newly installed officers a most productive and rewarding year.

This April, myself along with several of our officers had the opportunity to attend the Masters and Wardens Retreat which this year was hosted at a Squaw Creek Resort in the Lake Tahoe area.

This was a wonderful experience providing many opportunities for our officers to develop a plan of growth and development in the coming years.

Congratulations to our several new Fellow Crafts as well as our newest Master Mason over this past month Brother Bernier. As always we remind our newer members to feel free to invite their friends and family to attend our dinners and get to know the fraternity, many of us may have had friends in the past who would make eager candidates, but just weren't sure how to ask.

We look forward to seeing you all at our upcoming events this spring and summer as we continue enjoying how active and vibrant Las Palmas Ponderosa has become.

Fraternally,

Andrew Miller

April 14, 2016, Karekin K. Khatchadorian was Passed to the Fellow Craft Degree. Our Senior Deacon, Ryan C. Marrett did the staircase lecture, his ritual work is really amazing! We invite the Brethren from around the Valley to join us for dinner, socialize and enjoy some terrific degree work under the watchful eye of our Officers Coach, Worshipful Charles S. Bersani. Check our schedule on our web site, [lpp366.org](http://lpp366.org), call or text our Lodge Secretary. We meet most every Thursday, the third Thursday is our Stated Meeting.

## *Greetings from the South*

This month's Stated Meeting was wonderful, I even brought my wife. We enjoyed the company of Worshipful Richard Sherrod, and brother's Mathew Guy and Terry Haun. Richard was full of great information and kept our table well entertained.

We were treated to a wonderful steak dinner with Asparagus, pilaf and a zesty citrus sauce (the cook would not reveal his secret in the sauce) but none the less it was wonderful! As usual the salad bar was great and the appetizers were awesome. Worshipful Joe Sallee's wife made the most delicious little.....things (I have no idea what they are called), with cream cheese and Jalapeno jelly. Another wonderful wife just like mine, what would we do without them?

The Rainbow girls continue to impress us with their wonderful service and fabulous smiles. It was nice to return the favor for once and support them. They had the most tasty cookies and cupcakes for their bake sale. I really enjoyed the chocolate chip cookies and I'm hoping they have some more next month. Maybe I should have saved some for my kids.

It was so nice to see the teachers and to cheer them on as they received their outstanding awards for all their hard work. Powers-Ginsburg and Woodrow Wilson Elementary students are lucky kids to have such outstanding teachers. Above and beyond is just not far enough for these fabulous educators and we are happy to recognize and support them.

The Master and Warden's retreat was a hit; I learned a great deal and look forward to utilizing some of the training when I become Master. We had lots of discussions, lectures and breakout sessions. I really enjoyed myself and the group of guys that I traveled with. It is always nice to learn more about my fellow brothers. I am looking forward to another busy month, hope to see you all at the May stated meeting.

April 28, 2014 Las Palmas-Ponderosa Lodge No. 366 Raised Richard C. Bernier Sr to the sublime Decree of Master Mason. Joe Sallee and the Past Masters prepared a terrific Dinner of rice, beans and build your own tacos with all the usual drinks and ice cream for dessert. Had a really good attendance of Brothers for the ritual. Was good having Chuck Alstrom and John Denton Past Masters helping with the Degree. Randy Forrester did a great job as Junior Deacon. Many thanks to Richard A. Sherrod P.M. for the wonderful lecture!

Over 400 Rainbow Girls and family attended Disneyland Takeover and Leadership Workshop!! 226 girls and 40 adults learned leadership through examples and team building skills based on the 4 C's; Courage, Confidence, Curiosity, and Constancy. They learned how Walt Disney; a Master Mason; overcame the impossible to make a "mile long" main street and how he didn't let failures get in his way of success. They did a communication activity on the Pirates of the Caribbean ride which taught them active listening and so much more! After the 3 hour workshop, all were free to enjoy the excitement and thrills of Disneyland.

We are beginning a new year with the April 3<sup>rd</sup> installation of officers for the 2016-2017 year and Jan Arnold was crowned Queen of Sharon Temple No. 92. This year will continue our efforts to support Shriners Hospital for Children with financial support to the Supreme Temple Foundation as well as the contribution of sewing crafts and

purchased items for the benefit of the Sacramento Hospital. Numerous events are in the works for the social benefit of our membership starting with a guided tour of the new Safari Exhibit at the Chaffee Zoo and no host lunch. The incoming Supreme Queen who will be visiting Fresno in November set out her theme colors with black, hot pink and leopard print. Incorporating Jan's elephant collection and member contributions of camels and giraffes our animal theme will be woven throughout the year. We look forward to a fun year with fiesta, ice cream social, luau, and Bunco party fundraisers and a variety of social get togethers and new learning experiences to enlarge our circle of friends and potential members.

## *Greetings from the Archives*

Last month I told you that the Masonic Bodies in Fresno could not reach agreement on the construction of a joint Temple on property that was owned by Brother Dee Moyers.

Perhaps agreement could not be reached because Ponderosa had its own Temple and Sun Garden rented space from non-Masonic fraternities. To make things work at least one of them would have to come in on this new Temple. Perhaps it was the enormous cost of building a new Temple that would have two Lodge rooms plus banquet and other facilities.

Another possible reason for the failure to agree on the building of a joint Temple was due to our Inspectors. For several decades there were two Inspectors for all of the Lodges in the area that held tight reigns over Blue Lodge Masonry in Fresno. One was from Sun Garden and the other was

from Center Lodge. Both of these Lodge were quite small in the number of members compared to Las Palmas and Fresno Lodges and the cost to build a new joint Temple would be a financial strain on their individual Lodges. Center did own some shares in the old Temple, but Sun Garden did not.

Shortly after the deadline to build a joint Masonic Temple passed, (perhaps it was only a couple of days) Bro. Dee Moyers and his wife, Gilma, offered to Las Palmas a gift of the east half of the 5 acres for Las Palmas Lodge to build its Temple. This offer was formally made in Las Palmas Lodge at the January, 1959 installation of officers. Again there was a deadline, January, 1962, which meant that Las Palmas had to finish construction within 3 years. Las Palmas got its act together and easily met the deadline.

Several members of the other Lodges told me that Brother Dee really wanted Las Palmas to build its own Temple, but first made the 5 acre offer with a very short deadline so that that deal would fail. Others have said that there was plenty of time, but that the other Lodges just couldn't get their act together. We will never know which part of the story is true, but from the dates in our Lodge Minutes and other actions, it would appear that the Masonic Lodges in Fresno were beginning to see that their membership was starting to decline and protecting their own Lodge was more important than protecting Masonry in general.

Worshipful Miller presenting certificates to Eric Rozigas, Sherre Roberts, Denise Papanickoias, Linda Ramsey and Vice-Principal, Victoria Maglieri looking on.
