Foote at 294-7170

October 18th - Stated Meeting
October 26th - 28th - Grand Chapter in Visalia

Summer's over. Fall is here! For some, this is good news and for others, not so good. Back to school, back to work, holidays, cooler days, football games, and so much more. I'm tired already just thinking about what's ahead.

As you can see by the calendar, October is a busy and fun month for our chapter. We invite everyone to our Annual Tea on Saturday, October 7th. This year it will be held indoors at Las Palmas Masonic Center. You don't need to belong to Eastern Star to attend. We welcome all to attend and join in the fun. Tickets can be obtained from our members. Even if you don't like tea, come for a fun time, we'll make sure you don't go thirsty!

We are excited to initiate FIVE new members in October. We love adding to our family. Would you or do you know anyone who might be interested in joining an organization dedicated to Charity, Truth, and Loving Kindness? Just contact any of our officers and/or members and we'll take it from there.

Grand Chapter is just around the corner. We are happy to announce that our new Worthy Grand Matron will be Alyson Grant and our new Worthy Grand Patron will be Fred Loeser. Both of these wonderful people have so many new ideas and fun times planned for 2018.

We hope you have a "cool" October. HAPPY HALLOWEEN!!

Legacy Chapter No. 555 Order of Eastern Star

LATE BREAKING NEWS . . .

Fraternal organizations, particularly Masonic Bodies, take great pride and pleasure when any member completes 75 years of membership.

Legacy Chapter, Order of the Eastern Star of Fresno recently celebrated not one but two of it's members, who just happen to be

actual sisters, receiving their 75 year pins and certificates at a luncheon celebration.

Norma Meek and Helen McGaughy were honored and received from PGM, Donna Herring, their 75 year certificates and pins from the Grand Chapter of CA.

Congratulations ladies on joining with six other sisters on being members of our Order for three quarters of a century. Legacy Chapter certainly has a "legacy!"
